Dear Colleague

VALIDATION PROCESSES FOR REGISTRATION OF PHARMACISTS

We wrote in October 2010 to request that employers, Superintendant Pharmacists and Responsible Pharmacists have processes in place to assure the current registration of employee pharmacists.

I have recently been advised of an allegation whereby an individual claiming to be a registered pharmacist was employed as a locum Responsible Pharmacist.

The purpose of this letter is to remind all those who have a staff governance responsibility to ensure they have systems in place to assure the current registration of professional staff.

Yours sincerely
